Delivery Themes	Key Directions Components	Support for self care	Identifying & responding to population health needs	Supporting tailored care	Enhancing the co-ordination of care & information flows	Improving performance & evidence based decisions	Proposed Key Directions Engagement Approach	Proposed Delivery Lead	Proposed Delivery Focus
Infrastructure Stability	Health Network	■	■	■	■	■	KD Supported	MOH - NSDP	National
	Cost effective connectivity services	■	■	■	■	■	KD Commissioned	MOH - NSDP	National
	Flexible capitation and payment information environment that can accommodate multiple payment models		■	■	■	■	KD Commissioned	MOH - NSDP	National
	Near real time recognition of the funding status of individuals	■	■	■	■	■	KD commissioned	MOH - NSDP	National
	Change Management	■	■	■	■	■	KD Commissioned	MOH - NSDP	Regional
Information Standardisation	Privacy & security enablers	■	■	■	■	■	KD Commissioned	MOH - NZHIS	National
	Patient Health identifier (National Health Index)	■	■	■	■	■	KD Supported	MOH - NSDP	National
	Processes to support the up to date address details on the NHI			■	■		KD Supported	MOH - NSDP	National
	Provider identifier (Health Practitioners Index)	■	■	■	■	■	KD Supported	MOH - NSDP	National
	Clinical data standards	■	■	■	■	■	KD commissioned	TBC	National
	Standards to support a directory of services for providers	■	■	■	■		KD commissioned	TBC	District
	Standards for decision support for providers & consumers	■	■	■	■	■	KD commissioned	TBC	District
	Standards to support goal oriented care plans for individuals	■		■	■		KD commissioned	TBC	District
	Standards to support the evidence based decision support for care pathways	■	■	■	■	■	KD Commissioned	TBC	Local
	Standards to support flags and alerts across the care pathways	■	■	■	■	■	KD commissioned	TBC	Local
Business Process Integration	Standards to support the development of directory of services and navigation tools that enable directories to be linked	■	■	■	■		KD commissioned	TBC	Local
	Standards to support the development of electronic peer support networks	■		■	■		KD commissioned	TBC	Local
	Standards to support the development of patient and community feedback mechanisms	■			■	■	KD commissioned	TBC	District
	Tools to support the development & dissemination of health outcomes, intervention logic, performance indicators & learning	■	■	■	■	■	KD delivered	MOH - KD	District
	Directory to facilitate sharing of resources & approaches to tailoring care & care co-ordination	■		■	■		KD delivered	MOH - KD	Regional
	Navigation tools & forums to support access to population health information including intervention info. & sector learning		■	■		■	KD commissioned	MOH - NSDP	District
	eLabs		■	■	■		KD Supported	HISAC	Local
	ePharmacy	■		■	■		KD Supported	HISAC	Local
	E-referrals: Automated referrals to health & social services	■		■	■		KD Supported	HISAC	District
	Electronic health summaries (Including Assessments) and reports	■	■	■	■		KD Supported	HISAC	District
	Provider 2 provider notes transfer	■	■	■	■		KD commissioned	HISAC	Local
Advanced Support Systems	Directory of evidence based guidelines and trusted sources of information for providers	■	■	■	■	■	KD delivered	MOH - KD	National
	Community access to population health information to support their involvement in engaging with the health system	■	■	■	■	■	KD delivered	MOH - KD	Local
	Performance assessment tools		■	■	■	■	KD delivered	MOH - KD	District
	Directory to evidence based guidelines and trusted sources of information for the public	■		■	■		KD delivered	MOH - KD	National
	Integrated views of data/information to enable comparisons across organisations boundaries & long term conditions		■	■	■	■	KD commissioned	TBC	Regional
	Reports & access to performance data to enable comparisons across time, population and locations		■			■	KD commissioned	MOH - NSDP	District
	Tools to support population health analysis including preconfigured and query based reports		■	■	■	■	KD commissioned	MOH - NSDP	District
	Assessment tools & standards to support review across multiple care plans to assess impact & modify care pathways	■	■	■	■	■	KD delivered	MOH - KD	Local
	Decision support tools for individuals	■		■	■		KD delivered	MOH - KD	District

Increasing levels of enablement: Year 1 | Year 2 | Year 3 | Year 4 | Year 5

Increasing sophistication of the information environment
